Information on local amenities can be found in your camp registration packet or pick up a copy at the Visitor Center during regular business hours.

Attention Campers with Reservations:

Sites 1-18, 19, 21, 23, 25, and 27 are "Site Specific" sites. You may not occupy a site marked as "Site Specific" unless your reservation paperwork clearly indicates that site number. If you have a site specific reservation you may not set up on a site other than the one indicated in your reservation paperwork.

Campers with a reservation for "Camp A EW30ft" may set up on any site with a BROWN site marker that are not already tagged. Be sure to clip your post tag to the front of your site post.
